2012 SPORTSMANS SHOW

We had our best show ever with the largest turnout of guests and members for our annual Sportsman's Show the weekend of February 4 and 5, probably due to the great weather we've been having this winter! The Sportsman's Show is our largest fund raising event of the year and once again we owe a great deal of thanks to Hugh Hurley, his committee members and all the other club members for all the time and effort they put in to making the show such a great success. A more detailed report on the show and a complete list of "Thank You's" will be in next month's newsletter.

MEMBERSHIP

It looks like we will have about 30 membership openings this year, when the final head count is done. Our waiting list is currently over 90 names long. We voted in Robert Azzola as our newest Charter member at the February business meeting and we had the first reading for new Charter membership application for Steven Mofford.

STANDISH WEB SITE

Bob Phillips has volunteered to begin work on updating and maintaining our current club web site, standishsportsmans.com. Please send any club news, information, photos, etc. to Bob via his e-mail, phillips.ra@comcast.net to get it posted on our web site.

TRAP and SKEET

Walter Potaznick gave his trap and skeet report for January and he also thanked Joe McLaughlin, Scott Blood and the others who have been working on repairing the skeet houses. Skeet is open for everyone, now that the repairs have been made.

3-D ARCHERY

George Andrews passed out a report on the January 3-D shoot. We had 38 adults, 4 youths and one cub shooter. Thanks to George, Craig Warmington, John Brennan, Ed Souza, Jerry Snuffer, Tim Hill, Richard and Terry Sandstrom, Walter Potaznick, Ken Kelley, Joe McLaughlin, Dennis Vallee, Dominic and Mike DiBlasio, Dan Svirsky, Everett Hanson, Jim Augenti, Lorna and Mike Vasapollo and Ed Holmes for all their help in setting up, running and taking down the 3-D course. Our next 3-D shoot will be on Sunday, April 15, with setup on Friday morning April 13 at 8:30

JUNIOR CONSERVATION CAMP

The membership voted to send Michael Souza and Brandon Cannistraro to Junior Conservation camp this year. Thanks to Bob Phillips for taking over the camp selection committee.

AROUND the CLUB

We are looking for donations of plywood for use as target backers on the outdoor rifle and pistol ranges. Anyone who has plywood to donate can put it in the rifle range enclosure. The Monday night pistol shoots are going well. Come on down between 6:00 and 9:00 pm to have some informal shooting fun. Sunday morning trap and skeet continue to draw good crowds and it is also open to the public, beginning at 10:00 am.

NEW KEY NOTICE

The club has changed the keys to the front entrance gate and clubhouse. As of the February business meeting you will need your new key to get in the club. The easiest way to get a new key is to come to the club on Sunday mornings and get any officer or director to get your new key and membership card from the director's storeroom.

Respectfully,
Tim Santry
